**PETITION TO INTERVENE OF
SEMPRA ENERGY SOLUTIONS**

Pursuant to Section 200.200 of the Commission's Rules of Practice, Sempra Energy Solutions ("SES") hereby petitions for leave to intervene in the above-captioned proceeding. In support of its petition, SES states as follows:

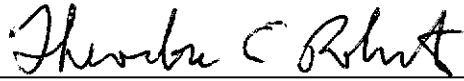

1. On February 25, 2004, Commonwealth Edison Company ("ComEd") submitted proposed tariff sheets to this Commission seeking authority to establish a market value methodology pursuant to Section 16-113(a) of the Public Utilities Act to be effective post-2006 and related provisions that would enable subsequent restructuring of rates and unbundling of prices for bundled services pursuant to Sections 16-109A and 16-111(a) of the Act.
2. On March 9, 2005, the Commission entered an order suspending the effectiveness of the proposed tariff sheets of ComEd.
3. SES is a certified alternative retail electric supplier ("ARES") in Illinois. SES was certified by the Commission on December 11, 2001, docket number 01-0673. SES' ARES certification allows SES to provide service to retail customers with annual electric consumption greater than 15,000 kilowatt hours ("kWh") in the ComEd service territory.

4. SES has served customers in the ComEd service territory continuously since 2002.
5. SES is a wholly-owned subsidiary of Sempra Energy, a Fortune 500 company with 2004 revenues of \$9.4 billion and \$4.865 billion in total shareholders' equity. Sempra Energy and its subsidiaries develop energy infrastructure, operate utilities, and provide related products and services to more than 29 million customers in the United States, Europe, Canada, Mexico, South America and Asia.
6. As a certified ARES in Illinois, SES has a substantial interest in the outcome of this proceeding because any order entered by the Commission will have a direct and significant impact on the continued development of electricity competition in Illinois and customer choice in the ComEd service territory.
7. SES' business address in Illinois is 1901 Butterfield, Suite 1000, Downers Grove, IL 60515-7923.
8. In accordance with Rule 200.200(d), SES wishes to be designated an *inactive* participant in this proceeding. As such, it will be entitled to receive service of all notices and orders issued by the Commission, but not testimony and pleadings filed or served by other parties.
9. For purposes of this proceeding, all notices and orders should be served upon:

E-mail: hhitchens@semprasolutions.com
10. SES agrees to accept service by electronic means as provide for in Section 200.1050 of the Commission's Rules of Practice.

WHEREFORE, Sempra Energy Solutions requests that this Petition for Leave to Intervene be granted, that it be designated an inactive party to this proceeding, and afforded such other relief as the Commission may deem necessary.

Respectfully submitted,
